Summary Statement:

The Board of Trustees agreed to partner with Community Development Group (CDG) to donate a combined total of 60 acres to the St. Vrain Valley School District for a new high school site.

Detail of Issue/Request:

The Town of Frederick has been working with the St. Vrain Valley School District (the District) staff and CDG to create a 60 acre site for the proposed high school that was approved in the 2008 bond. The Board of Trustees agreed to partner with CDG by each providing 30 acres (for a total site of 60 acres) to the District.

In the original development plans for Miner's Village, CDG was required to provide a community park. The Board of Trustee determined to allow that park acreage to be used for a new high school site if the District chose to locate the high school on the southwest corner of Colorado Boulevard/CR 13 and Tipple Parkway/CR 16. Once the District decided to place the school at this location, CDG processed a plat (subdivision amendment) to create two 30 acre lots. CDG will donate one of the lots directly to the District. The other 30 acre lot has been donated to the Town. The Town is now able to deed the property to the District.

Legal/Political Considerations:

Town attorneys have been involved in the entire process of working with the District and CDG.

Alternatives/Options:

The Board of Trustees may choose direct the Mayor to sign the attached deed or choose to take no action.

Financial Considerations:

Not Applicable

Staff Recommendation:

Staff recommends directing the Mayor to sign the deed.
